Leak Adjustment Application

Customer Name: _____
(Please print)

Water Account Number: _____

Customer Address: _____
(Street and city)

Phone: _____ **Email:** _____

Leak Description:

****Please attach copy of receipts and additional information regarding repairs. ****

Leak Adjustment Program:

If you have a property side leak and your water bill is high you may qualify for a courtesy leak adjustment after you have repaired the leak. Customers are responsible for the service to repair the leak beginning at the customer's side of the curb side shutoff or coupling on the meter. Leaks in the line which are the responsibility of the customers must be repaired by the customer solely at their expense.

Upon receipt, of a correctly completed Leak Adjustment Application, the District will review the account for compliance with the program conditions.

I certify that I understand the requirements in this form and that to the best of my knowledge the above information is true.
